

## OUTGOING MATERIALS TRANSFER QUESTIONNAIRE

Please return completed Questionnaire to: JHTT, Attn: Jackie N. Anderson,  
100 N. Charles Street, Baltimore, MD 21201; email: [jander77@jhmi.edu](mailto:jander77@jhmi.edu)

**1. JHU Principal Investigator (“PI”):** \_\_\_\_\_

Title: \_\_\_\_\_, Dept, Div or School \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Tel: \_\_\_\_\_ Fax: \_\_\_\_\_ Email: \_\_\_\_\_

**2. Recipient of Materials (“Entity”)** \_\_\_\_\_

Recipient Scientist: \_\_\_\_\_

Legal Contact: \_\_\_\_\_

Legal Contact Title: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Tel: \_\_\_\_\_ Fax: \_\_\_\_\_ Email: \_\_\_\_\_

Non-Profit (Foundation, University)     For-Profit Entity

**3. Description of the materials to be provided:** \_\_\_\_\_

4. Does the JHU Provider Investigator have a consulting agreement with the Recipient?

YES     NO

5. Are the Materials or technology to be provided of value or potential value or which has been previously disclosed to JHU?

YES     NO

If “**YES**”, please provide title of Report of Invention & Name of Inventor:

\_\_\_\_\_

6. Do you expect inventions, discoveries, cell lines, derivatives, modifications containing the Materials hereunder to arise out of the Research?

YES     NO

If “**YES**”, please explain:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

7. Description of the use of JHU Materials or technology: Briefly describe the research to be undertaken with the Materials (May attach Research Plan or email from requestor): \_\_\_\_\_

---

---

---

---

---

8. Are the Materials hazardous, cDNA, or can be classified as a “dangerous substance” under federal regulations”?

YES  NO

If “**YES**”, please consult <http://www.hopkinsmedicine.org/hse> for proper transfer and handling.

9. Will the materials be going outside of the US and therefore possibly subject to federal export control regulations (ITAR or EAR)?

YES  NO

If “**YES**”, please describe:

---

10. Does the Research hereunder involve  animals OR  human subjects?

**NOTE: MTAs contain limitations on the use and transfer of Materials and/or technology and information provided by other sources and authorize use only by the PI thereunder. Failure to resolve this potential conflict or non-compliance with terms of this or any other MTA prior to signing the MTA would likely result in a breach in the agreement(s) by JHU.**

**The penalties for the breach of an agreement, including an MTA, can be serious, including the refusal to provide Materials in the future or a grant of ownership of the results and/or automatic grant of exclusive licenses to the Provider of the Materials of any inventions or discoveries arising out of the use of the Materials and potentially blocking JHU’s or your further development of the inventions.**

*I certify the information given above to be accurate.*

\_\_\_\_\_ Date

\_\_\_\_\_  
*Signature of JHU PI*
